STUDENT DISCIPLINE

Students discipline will be handled in accordance with the King Philip Regional High School Student Handbook which can be found at <https://www.kingphilip.org/domain/54>. Pages 36 - 38 & 41 - 52 are relevant. It is important that both students and their parents/guardians read these sections of the handbook.

While no attempt will be made to summarize those sections of the Student Handbook it is important to note that "King Philip subscribes to a zero tolerance policy regarding the use of alcohol, drugs, or any controlled substances by its students." This includes "possessing, using, selling, dispensing, or exchanging of controlled substances, including alcohol and all tobacco related products (electronic cigarettes, vapor devices), and also including drug-related paraphernalia (including cigarette rolling papers), or being under the influence of controlled substances. Any student who voluntarily remains at a place where he/she knows that alcoholic beverage(s), marijuana, steroids, or any controlled substance is being illegally consumed, possessed, bought, sold, or given away, shall be considered to be in violation of this policy."

CAMP MATAPONI GUIDELINES FOR STUDENTS

As a member of the King Philip Regional High School Marching Band there is an expectation that you will act with integrity at all times. Therefore the following is expected for the duration of our stay at Camp Mataponi;

- Be on time. To be early is to be on time.
- Students are not permitted to be by themselves. This means that no student should be in their cabin alone. If you forget something you must ask a counselor or chaperone to accompany you to retrieve it. No one should be on the practice fields during meal times. Everyone will be present at Olympic and social events.
- Dress appropriately for meals. You must wear a shirt and shoes in the dining hall. No sports bras or hats.
- Your table is your table for the week. Choose wisely!
- A different person will clean the table at the end of each meal.
- Only take what you can eat. You can always go back for more.
- You must eat. Any student skipping two meals in a row will not be permitted to participate in subsequent rehearsals.
- Follow the instructions of the camp staff, chaperones, and counselors and treat them with respect.
- Equipment is to be left in designated areas only.
- Apply sunscreen frequently and liberally. Don't forget the tops of your feet and your ears!
- Drink lots of water. It will keep your feeling energized.
- Stay on the trails. Do not go into the wooded areas.
- Lights out means you're in bed and quiet. Any one found out of their cabin after lights out will be sent home immediately at your families expense.
- Hats or visors with a brim are required at all rehearsals.
- Do not litter or deface the property.
- This is not OUR camp. We are renting the facility. Please be mindful and respectful of the other people there.
- Your luggage and/or equipment may be inspected by the Director at any time if there is a reasonable cause to do so.
- You must pass a swim test to use the lake. Previously tested students are on record.
- You must wear a life jacket to use the water trampoline/blob.

We know that you will act with great integrity to make sure that King Philip Students will have the opportunity to attend this camp for years to come.
